Standard Student Contract

The Standard PEI-Student Contract (“Student Contract”) NLH adopts is a very important legal document between the School and the student.

It is the responsibility of the School to explain the following contents of the student contract in English or in the native language of the student, where applicable.

- i. Course information and Fees Refund Policy, including Refunds for Withdrawal for Cause and Refunds for Withdrawal without Cause
- ii. Any other information as deemed necessary

All students are required to sign two original sets of student contract. One set will be given to the student and one set will be kept by the School.

If any amendment is made which will change the original intent of the student contract, both the student and the school must sign beside the amendment(s) on both sets of the original student contracts. If the contract is signed electronically, only one copy is signed, and each party will save the final signed contract.

All fields must be completed in the student contract. Where it is not applicable, it must be indicated with “not applicable or N/A”.

A sample of the school’s Standard PEI-Student can be found on our website (<https://nlh.sna.org.sg/student-resources/>).

Student Academic Honesty Policy

- 1.1. There is an expectation for students to be authors of their own work and to acknowledge when they use other authors' words or ideas when preparing their assignments and/or assessments.
- 1.2. Any examples of inappropriate use of sources or use of others' work in place of your own, will be penalised.
- 1.3. Failure to understand and follow protocol on academic conduct may ultimately result in a student being subjected to disciplinary actions or terminated from their course.
- 1.4. Academic misconduct can be broken down into the four categories below:
 - i. Plagiarism
 - Plagiarism involves the incorporation by a student in an assessment, material which is not their own in the sense that all or a substantial part of the work has been copied without any attempt at attribution or has been incorporated as if it is the student's own work when it is wholly or substantially the work of another person.
 - ii. Collusion
 - Student A copies Student B's work with B's knowledge.
 - iii. Commission
 - Paying someone else to prepare coursework for you.
 - iv. Cheating under examination
 - Any form of communication with other students or external sources. Bringing unauthorised materials / technology into the examination.
- 1.5. It is not always possible to find the source of the work, but a judgement may be made as to whether the work is original or not by using other evidence. The following are acceptable forms of evidence of plagiarism:
 - Text from a known source
 - Unusual writing structure
 - Changes in font
 - Work not in keeping with the student's usual standard.
 - Uses American spelling when convention is English.
 - Changes in referencing convention

 - Inappropriate referencing style

- Web addresses still attached.
